

BRING TENNIS TO YOUR P.E. CLASSES!

Invite USTA Tennessee to do a Net Generation workshop in your district and get free curriculum and equipment! With Net Generation, the USTA is committed to helping teachers introduce tennis in P.E. classes and connect to after-school programs. Learn how you can introduce “the sport of a lifetime” to your students - no experience needed! Over 5,000 teachers have already taken advantage of our free curriculum and resources, what are you waiting for?
